Privacy Statement

NexusTalk Commitment to Data Protection:

Protecting the security and privacy of your personal information is important to NexusTalk and to the way we conduct our business in compliance with laws on privacy, data protection and data security. We hope the policy outlined below will help you understand what information NexusTalk may collect, how we use and safeguard that information and with whom we may share it.

Personal Information

Through its websites, NexusTalk will not collect any personally-identifiable information about you (e.g., your name, address, telephone number or e-mail address), unless you voluntarily choose to provide it to us (e.g., by registration, survey). If you do not want your personal information collected, please do not submit it to us.

When you do provide us with personal information, we usually use it to respond to your queries, process your order or provide you with access to specific account information. Also, to support our customer relationship with you:

We may store and process personal information to better understand your business needs and how we can improve our products and services; or

We (or a third party on our behalf) may use personal information to contact you about a NexusTalk offer in support of your business needs or to conduct online surveys to understand better our customers' needs and profiles.

If you choose not to have your personal information used to support our customer relationship (especially direct-marketing or market-research), we will respect your choice. We do not now (and do not intend to) sell, rent or otherwise market your personal information to third parties.

Non-Personal Information Collected Automatically

When you access our websites, we may automatically (i.e., not by registration) collect information that is not personally-identifiable (e.g., type of Internet browser and computer operating system used; domain name of the website from which you came; number of visits, average time spent, pages viewed). We may use this information to measure the use of our websites and improve their content.
